The President's Corner

A fresh Rotary Year, 2018-2019, begins as we celebrate our 90th Anniversary. Happy Birthday to our club, the Jerusalem Rotary Club, as we look forward to a year of growth, activity and rejuvenation. For this to happen and not just be empty words, we will all need to participate with enthusiasm to achieve our objectives of recruiting more members, to identify and implement community projects, help our foundation grow and to raise our profile so that the world outside becomes aware of what we do and who we are.

While all this is important we must not lose sight of fellowship, interactions with other clubs in the Eshkol and the District and to enjoy ourselves with events and outings that have been so popular in the past.

Keep in mind our own anniversary celebrations as well as those of the District. Together with us, the first Rotary club in Palestine/Israel, the District also celebrates its 90th Anniversary. The year should be fun as well as one of achievement and I hope that you will all join me in making this happen.

David Seligman
President 2018-19

We were asked to provide the district with the date of birth (Month/Day/Year) of the members of Rotary Club, Jerusalem.

Within the coming weeks, I'll distribute a list of date of birth (DOB) in order to fill it out.

A MESSAGE FROM OUR GOVERNOR

23 June 2018

My Rotary friends Hello

We are in Toronto and tomorrow the conference opens and I am convinced that the conference will be an exciting event that will be the sign for many Rotarians in our region to join the next year's Hamburg conference.

Our target area is to reach a delegation of at least 50 Rotarians.

As part of our evaluations, I have appointed Amos Van Raalte as the person responsible for promoting the conference and formulating the activities before and after the conference.

This year we will make an effort in Hamburg to have a booth at House of Friendship where we can present the inspirational activities that the region leads to, such as the Desert Forest in the South, the International Debate Competition, the Alzheimer's Initiative.

Dear Friends, This is our opportunity to realize the vision of making our region meaningful in Rotary International and together we can do it.
