Today's Program

Our new member Dieter Ziulkowski gives a presentation on his work and life in the Far East during the last 32 years. He was resident at different times in Bombay, Hong Kong, Jakarta, and Singapore and additionally responsible for some other Asian countries: South Korea, Taiwan, Vietnam, Philippines and Malaysia. A short introduction into his work and cultural experiences.

We received a very interesting new approach of interpretation of religious laws, which you might find amusing:

In Canada, the government, in its eternal wisdom, recently passed two laws. They are:

1 Legalized gay marriage

2 Legalized use of marijuana

Legalizing gay marriage and marijuana at the same time now makes perfect Biblical sense.

Leviticus 20:13 says

"If a man lies with another man they should be stoned."

Apparently we just hadn't interpreted it correctly before...

We received below information from Rotary International. Always be careful when you receive an e-mail from an unknown source or the e-mail address looks weird (one example: the “.com “ of a reputable sender appears before and not after the “ @ “ sign. If that is the case, certainly something is wrong): *Fake email targets Rotarians -*

Scammers have created multiple email and social media accounts that impersonate RI President Barry Rassin, RI President-elect Mark Maloney, and General Secretary John Hewko, in an attempt to obtain money or personal information from Rotary members. Learn what you should do to protect yourself from these scams.

Warmest congratulations to Uri and Evelyne Savir for their wedding anniversary on November 7 and to Sandi Darmon’s birthday on November 11. Mazal Tov to all of you.

Last but not least: on November 11 at 11 minutes after 11.00 AM every year starts the 5th season of the year – the Carnival Season. A most important time of celebrations and crazy events in Central Europe and Brazil. To all of our friends who participate in one way or another in it – have a great time!

The President’s Corner

Our President David is not in town for around three weeks. Consequently and regretfully we will not have his wise words until his return late November. Our best wishes for a good time in Great Britain and a safe return to Jerusalem.

International Toast

Rotary Club of London, Great Britain

During the coming calendar week, November 5 to 11, many historical events took place at different years in history. Below some of known and some, probably unknown happenings:

- On November 5, 1605 Catholic conspirator Guy Fawkes attempts to blow-up the British Parliament. Celebrated ever since as Guy Fawkes Day where his effigy is traditionally burned on a bonfire, accompanied by fireworks

- On November 6, 1995 Burial of Prime Minister Yitzhak Rabin
- On November 7, 1800 women in Paris, France are legally required to ask permission from city authorities before "dressing as men", including wearing trousers (with exceptions for those "holding a bicycle handlebar or the reins of a horse") was officially revoked in 2013
- On November 8, 1960 John F. Kennedy is elected President of the United States, defeating Republican candidate Richard Nixon who was the incumbent Vice President
- On November 9, 1918 Emperor Wilhelm II abdicates after German defeat in World War I
- On November 10, 1885 German engineer Gottlieb Daimler unveils the world's first motorcycle

- On November 11, 1992 The Church of England approves the ordination of female priests

We are toasting this week the Rotary Club of London on the event of Guy Fawkes Night, which originates from the Gunpowder Plot of 1605, a failed conspiracy by a group of provincial English Catholics to assassinate the Protestant King James I of England and replace him with a Catholic head of state. In the immediate aftermath of the 5 November arrest of Guy Fawkes, caught guarding a cache of explosives placed beneath the House of Lords, James's Council allowed the public to celebrate the king's survival with bonfires, so long as they were "without any danger or disorder". This made 1605 the first year the plot's failure was celebrated. The following January, days before the surviving conspirators were executed, Parliament passed the Observance of 5th November Act, commonly known as the "Thanksgiving Act".

Rotary of London is meeting on Mondays lunch time at the Chesterfield Mayfair Hotel in London. This club was the first to be chartered outside of North America in 1911. There are 83 Rotary Clubs in and around London.
